- All entry doors have at least 33” of clearance
- Interior doors 27”- 29”
- Compliance kit with TDD unit and visual fire, phone and door knock alarms available

Resort Accessible Features

- Accessible parking
- Accessible route to indoor pool
- Elevators

WorldMark Arrow Point is located on level to steeply sloping property. Accessible parking is available and the resort has elevators; however, most first floor units and the registration office have a 7” step to enter. There is an accessible route to the indoor pool but there is no pool lift for disabled access. The resort lacks Braille signage, but does have compliance kits with TDD units, as well as visual fire alarm and visual notification devices for door knocks and ringing phone.

Special Needs Units

None at this property

The standard two- and three-bedroom units on the second and third floors have elevator and roll-in access, spacious living areas and bedrooms and 29” bedroom doorways. However, bathroom doorways are only 27” wide and the bathrooms are too small to accommodate most wheelchairs.
