Special Needs Units

Two bedroom, two bathroom

All special needs units feature standard key lock entry, 39" entry door widths and level thresholds. All interior doorways have at least 32" of clearance. Bathrooms are equipped with 15-18" toilets, 29" of knee clearance under lavatories, grab bars and 36"x40" roll-in showers in all but one unit. A portable bath bench with back support is also available. Bedrooms are spacious with ample access on both bed sides. Living rooms are small but accessible with dining tables that provide 28" of knee clearance. Kitchens have an open design with 34"-36" counters and stoves/ranges with front controls.

All standard units at Discovery Bay have split entry designs, which require guests to navigate stairs. WorldMark does not recommend any of these units for guests with mobility impairments.
