

Dear WorldMark Owner/Guest:

Thank you for selecting Gleneden Beach for your upcoming vacation. Gleneden Beach is the perfect place to experience the Oregon Coast. It is one of the first WorldMark Resorts built from the ground up, with spectacular landscaping and over seven miles of beach access. There are a number of activities available in and around Gleneden Beach, ranging from beachcombing for agates, blowing your own glass floats, whale watching, deep-sea fishing, shopping and sightseeing.

There are two buildings at Gleneden Beach. The front building has three stories and consists of a north (Sand Dollar) and south (Starfish) section. This building wraps around the pool and spa, which are open year round. The back building has three stories and is known as Sea Breeze. Starfish and Sand Dollar both have elevators and 65% of the units have a view. Sea Breeze does not have an elevator and 65% of the units have a distant view of the ocean.

Gleneden Beach is located between Lincoln City and Depoe Bay. Following are directions to the resort:

Driving South on Highway 101 – continue through Lincoln City, over the Siletz River, and past Kernville. The first stoplight after the Kernville exit is located at the Salishan Golf & Spa Resort. There will be a golf course on your left, and a brown shopping plaza on your right. Turn right immediately after Salishan at the green Gleneden Beach sign. Bear left as the road forks (there will be a sign on your right saying “Gleneden Beach Loop”). We are located approximately half a mile down this road on the right hand side. If you pass the Gleneden Fire Station you have gone too far.

Driving North on Highway 101 - continue on Highway 101 thru Newport and Depoe Bay, past the Italian Riviera Restaurant and Sentry Market. Drive slowly over the hill and turn left on Wessler Street (on the right hand side of Highway 101 there is a “Gleneden Beach Park” sign where you would turn left on Wessler). If you pass Salishan Golf Resort and Spa, you have gone too far. After turning left on Wessler Street, turn right immediately onto Gleneden Beach Loop. The entrance to the resort is on the left immediately past the Gleneden Beach Fire Station.

- Check in time is at 4:00 pm. If you call the Front Desk at 541-764-3854 on the day of your arrival, we can take your cell phone number and call you when your room is ready if it happens to be before 4:00 pm.
- Checkout time is at 12:00 pm.
- Fresh towels and additional supplies are available 24 hours a day at the Front Desk.
- The resort features a recreation center with exercise equipment, a tennis court, spa, pool table, ping pong table, air hockey, arcade games, and a big screen television.
- There are daily on-site activities, including bonfires on the beach, bingo nights, and barbeques.
- The nearest grocery store is Sentry Market, located 1 mile south of the resort on Highway 101.
- In our lobby there are coupons and discount passes for golfing, shopping, restaurants and local attractions.
- Cell-phone coverage is spotty at best.

The Front Desk is open 24 hours a day. We invite you to stop by or give us a call. We will be happy to answer your questions and provide you with any additional information you might need.

The management and staff of Gleneden Beach look forward to hosting you and making yours an outstanding vacation experience.

On the Way to Gleneden

This section includes points of interest and side trips along the way to the resort. For the most direct route, see the driving directions below.

From Eugene, OR

From I-5, drive west on Hwy 126...

The “City of Rhododendrons”—Florence—explodes with color in late spring. Explore the historic shops and buildings of **Old Town**. Florence is also the northern gateway to the **Oregon Dunes National Recreation Area**, which you can tour by dune buggy.

Continue north on US 101...

Explore rocky tide pools or the coastal rain forest from 17 miles of hiking trails at **Cape Perpetua Scenic Area**. The cape rises 800 feet above the Pacific Ocean, providing a spectacular view of the coastline. The rocky chasm of **Devil’s Churn** is fascinating in summer and awe inspiring during winter storms—an excellent spot for photographers. Take the auto tour to the **Cape Perpetua Viewpoint**.

Besides beach access and picnic facilities, the **Seal Rock Wayside** offers geologic attractions due to exposed faults in the rocks. **Lost Creek State Park** has a wheelchair-accessible trail to the beach. The **Hatfield Marine Science**

Center offers informative displays and intriguing marine animals, some of which you can touch! One of Oregon’s most popular attractions, the **Oregon Coast Aquarium**, includes four indoor galleries that showcase coastal habitats. Outdoors, seals, sea lions and otters play in rocky pools, while birds soar and dive in North America’s largest walk-through seabird aviary.

From Corvallis, OR

Drive west on US 20 ...

The town of Newport offers gift shops, galleries, restaurants and an extensive variety of fresh seafood. It also serves up other attractions: **The Undersea Gardens** and the **Wax Works Museum**, for instance. The **Nye Beach Historic District** houses the **Yaquina Art Museum**, the **Newport Performing Arts Center** and the **Newport Visual Arts Center**.

The often-photographed **Yaquina Head Lighthouse**, built in 1873, stands on an outcropping of rock jutting into the ocean just north of Newport. Wheelchair accessible tide pools have been created off the lighthouse access road. **Cape Foulweather** was named by Captain James Cook on a particularly inclement day in 1778.

From Portland, OR

Drive south on US 101 ...

The rugged beauty of the **Coast Range**, **Haystack Rock** and the **Needles** has turned **Cannon Beach** into an artist and photographer mecca. Much of their work can be admired in this seaside town’s many galleries and shops. Kite flying, beach-combing and tide pool exploring around **Haystack Rock** are very popular activities.

Continue south on US 101 ...

Tillamook is home to Oregon’s largest cheese factory. The **Tillamook County Creamery Association** attracts nearly a million visitors each year! The **Blue Heron Cheese Factory** is also a great stop, as is the **Tillamook County Pioneer Museum**.

From Salem, OR

Drive north on US 101 ...

With more than seven miles of beaches for kite flying, **Lincoln City** has claimed the title “Kite Flying Capital of the World.” Shop in the galleries, antique shops and factory outlet stores. **Devil’s Lake State Park** offers boating and picnicking.
