

Dear WorldMark Owner/Guest:

The excitement level in your household must be high as you plan your trip to Orlando! The staff of WorldMark Orlando at Kingstown Reef awaits the opportunity to make your vacation dreams come true.

Located on International Drive between Universal Studios, SeaWorld and the Walt Disney World Resort, Kingstown Reef timeshare has been welcoming guests to the neighborhood since 1998. WorldMark purchased an ownership interest in Kingstown Reef in 2003. As you visit WorldMark Orlando/Kingstown Reef, you will likely encounter original timeshare owners as well as exchange guests from around the world.

Because WorldMark shares ownership at Kingstown Reef with another timeshare entity, you will find some minor differences from other WorldMark resorts you've visited. Your comfortably furnished condominium-style unit comes stocked with many of the amenities that make you feel at home—blow dryers in the bathrooms, spices in the kitchen and plenty of kitchenware for those meals you want to share “at home.” You'll have a phone in your unit that will allow you to make local and toll-free calls.

When you get the urge to do a little grilling, you'll find barbecues located adjacent to the pool area. If you need to take a brief time out from your adventures to do a load of laundry, the resort offers several guest laundry areas with washers and dryers. The resort also boasts a guest service staff to help you with planning your daily adventures.

Before you leave home, don't forget to ask your WorldMark vacation counselor to reserve a rental car for your visit. Be sure to call the resort prior to your arrival if there's anything else you need to hit the ground running when you arrive in Orlando.

Have a wonderful vacation!

On the Way to Orlando

This section includes points of interest and side trips along the way to the resort. For the most direct route, see "Driving Directions" below.

From the north on I-95

If you're driving into Florida along the east coast, **St. Augustine**—the nation's oldest city—can make for a marvelous day of shopping. Take exit 318 from I-95 onto State Road 16 to US 1 South.

Your first stop should be the St. Augustine Visitor Information Center where you'll pick up information on the area's attractions, museums and more. The Colonial Spanish Quarter is a living museum with costumed interpreters illustrating the lives of Spanish soldiers circa 1740. See them ply their trades: blacksmithing, candle-making, carpentry and more.

Continuing south on I-95...

Daytona Beach is home to the Daytona 500 and famous springtime celebrations. Its 23 miles of smooth-sand beaches boast some of the best surfing on the East Coast, and the "strip" offers more than just souvenir T-shirts.

The Daytona International Speedway, besides being home to one of the most famous NASCAR events of the year, houses an interactive motorsports attraction that includes the Richard Petty Driving Experience

Ride Along Program which takes you around the track three times at speeds of up to 150 mph.

Continuing south on I-95...

Cape Canaveral is home to the Kennedy Space Center. The tours and exhibits are open from 9 a.m. to 5:30 p.m. daily except Christmas Day. Explore the history of the NASA space program, and view the actual consoles from early versions of Mission Control. An IMAX experience takes you on a journey into space, and you can visit an observatory to get an unobstructed bird's-eye view of the shuttle launch platform.

From the north on I-75

Home to Florida's state university, **Gainesville** is a small town rich in history, intellect, culture and more. The University of Florida campus is worth a visit; the shores of Lake Alice are good for strolling and looking for the college mascot, the 'Gator.

Continuing south on I-75...

Tampa Bay is the big city on the "West Coast." Beaches, aquariums, theme parks and major league sports all draw visitors to the area. Busch Gardens is a full-day adventure, with roller coasters and all the traditional amusement park fare as well as over 2,700 animals in one of the nation's premier zoos.

Across the bay is St. Petersburg, from whose spectacular beaches you can watch the sun set over the water. The Salvador Dali Museum houses the most comprehensive collection of its type in the world. Phone (727) 823-3767 to find out what special events are going on while you're in town.

Drive east on I-4 ...

Lakeland is a picturesque city with a rich heritage. The campus of Florida Southern College contains the world's largest single-site collection of Frank Lloyd Wright-designed buildings. And Cypress Gardens, a park that contains a hodge-podge of rides, animals, music, live performances, seasonal festivals and more, is located in nearby Winter Haven.

From the south

A truly international city, Miami is the gateway to Latin America. You'll hear Spanish spoken here almost as often as English, and even the local newspaper prints two separate language editions.

Driving north on the Florida Turnpike...

You'll drive parallel to I-95 for the first hour and a half. Until you reach Fort Pierce, almost any drive east will take you to a beach. Take note of the Intracoastal Waterway, the in-land water route that extends from Norfolk, Virginia, all the way to Key West.
