## Special Needs Units

One-bedroom, one-bathroom

Two-bedroom, two-bathroom

All special needs units have standard key entry, knob door handles, flush thresholds and 33" entry clearance. All interior doorways have at least 31" of clearance. All special needs bathrooms are equipped with grab bars, 16" high toilets and standard 14" tub/showers with curtains and handheld showerheads. Portable bath chairs with back support are available. Bathrooms do not have lavatories with roll-under access. Bedrooms have at least 36" clearance to one bed side. Kitchens have front control oven/stoves and 36" counters. Dining room tables have 25" of knee clearance; living rooms are over-crowded with furniture. 5'x 11'decks have 31" access and 1" thresholds.

No standard units at this property are recommended for mobility impaired guests because all units have several steps to the entries and have bathrooms too small to accommodate wheelchairs.
