Things to See and Do in Reno

It's time to find out what the "Biggest Little City in the World" has to offer as you base yourself in your WorldMark resort in downtown Reno, Nevada. This historic destination successfully combines natural beauty with lavish evening entertainment, lively casinos, fine dining and some of the best shopping in the state. The Reno area also offers year-round vacation possibilities. You can go downhill or cross-country skiing at world-class resorts, horseback riding, rafting, water-skiing, biking or fishing. You might take in a stage show, try your hand at poker, roulette or blackjack. You can also test your golfing skills at one of the area's 40 public courses. Reno is definitely a whole lot more than just gambling.

Starting with Reno's wild side, there's the **Animal Ark Wildlife Sanctuary**—home to kit foxes, wolves, black bear, mountain lion, burrowing owls and more. In addition to being able to see animals, the ark also has picnic tables, docent guides, educational displays, animal demonstrations depicting natural behavior and a gift shop.

But that hardly scratches the surface of Reno's natural storehouse. From

enjoyment as simple and close-at-hand as a walk or bike ride along the banks of the **Truckee River** in downtown Reno (where you can take advantage of the two-level promenade with its shops, restaurant and 12-screen cinema), to true mountain-loving action, Reno has it all.

For downhill skiing, Reno has two ski areas nearby, and many more near the **Lake Tahoe Basin**—including **Mount Rose** (with the highest base in the region, not to mention great powder) and **Diamond Peak at Incline Village** (with fine views of the Tahoe area). For cross-country, consider **Diamond Peak** or **Spooner Lake**. And with Lake Tahoe practically in Reno's backyard (only 25 miles southwest of the city, and easily reached by several all-weather highways), true year-round recreational paradise is also yours—from boating and fishing to watersports—all summer long.

Of course, one can't overlook Reno's golf scene. The region is so varied you can practically name your terrain: mountains, deserts, forest or lakes. The scenery takes your breath away and your shots will soar through the thin mountain air.

As for museums, Reno seems to

preserve just about anything that sits still long enough to put behind glass. You can see impressionist paintings at the **Nevada Museum of Art**, glimpses of the galaxy at the **Fleischmann Planetarium** and more than 200 antique, vintage and classic cars (not to mention displays with clothing and lifestyles of the period) at the **National Automobile Museum**. You might consider a visit to the nearby state capital, **Carson City**, where you can visit the **historic mint building** or the **Nevada State Museum** with its exhibits on local history and Nevada memorabilia. Possibly the most popular part of this museum is its underground mine in the basement. Other favorite Northern Nevada museums include the **Nevada Gambling Museum**, **Mark Twain Museum**, **Wild West Museum** and, in **Virginia City**, **Bullette's Red Light Museum** (the only museum of prostitution in the nation).

But it wouldn't be right to talk about Reno and not mention the close to 30 **casinos** in the area. Reno's early mining days may be over, but the rush is still in full swing ... and is waiting to take your money. If you're lucky, you may win more than you spend!

Dear WorldMark Owner/Guest:

Thank you for selecting WorldMark Reno for your upcoming vacation. There are a wide variety of activities in the Reno area, from shopping to top-name entertainment and from casino gambling to endless nightlife activities, all making it an exciting urban location. Spectacular Lake Tahoe is just an hour's drive away through the mountains, and Virginia City, the home of the famous Comstock Lode, is only a short jaunt.

The resort consists of 63 units on nine floors in the heart of downtown Reno and features all the amenities and professional décor you have come to expect in a typical WorldMark facility. While the units themselves are slightly smaller in size, the resort itself includes a very nice seasonal outdoor swimming pool, wading pool and spa. An exercise facility is also available for all owners to enjoy.

Reno's version of the "strip" is just a few blocks from the resort. The area immediately surrounding the resort is in the early stages of renewal, and as with any downtown setting, if walking, an awareness of your surroundings is very prudent. For your convenience, WorldMark offers a shuttle that runs on a loop to and from the strip during the following hours:

Monday – Sunday 9:00 a.m. to 11:00 p.m.

Stop by the front desk after you arrive and we will be happy to answer any questions and provide you with additional information about the area. There is much to do and see.

We are very excited about this WorldMark location and look forward to hosting your upcoming visit.

Sincerely,

Ryan Dominguez
