# On the Way to Running Y

*This section includes points of interest and side trips along the way to the resort. For the most direct route, see "Driving Directions" below.*

## From Portland/Eugene, OR

*Drive south on I-5...*

Make **Roseburg** one of your first scenic stops. Located in the **Umpqua Valley**, Roseburg is rich in Oregon history and culture. The **Douglas County Museum** contains artifacts that cover 8,000 years of state history. The **Roseburg Visitors Bureau** offers assistance with three driving tours. There are also six wineries in the area where you can taste some of Oregon's finest wines, and the **Umpqua River** offers spectacular views. The **Rogue River** runs through **Grants Pass**, known as the white-water-rafting capital of Oregon. Be sure to visit the town's many historic homes and fascinating antique shops. A jet boat tour on the Rogue will introduce you to rugged canyons and local wildlife.

*From I-5, take Hwy 199 south to Hwy 46 east...*

Drive through the **Siskiyou Mountains** to explore **Oregon Caves National Monument**, where guided tours lead past intriguing canyons and corridors.

*Back on I-5, heading south...*

Just off I-5 is the town of **Gold Hill** and the **House of Mystery** where gravity has strange effects. **Jacksonville**, farther south, is also a short detour off I-5. This old Gold Rush town features museums. Continuing south you'll come to the city of **Ashland**. From mid-February through October, Ashland hosts the award-winning **Oregon Shakespeare Festival**, presenting afternoon and evening plays on many unique stages. Other attractions in Ashland include art galleries, antique shops, boutiques and Victorian homes.

## From Bend, OR

*Drive south on US 97...*

US Highway 97 South will take you through the beautiful **Deschutes National Forest**. You can explore the world's largest obsidian field at **Newberry National Volcanic Monument**. See Newberry's five-mile-wide caldera, many deep lakes and sparkling waterfalls. **Paulina** and **East** lakes at **Newberry Crater** are two of Oregon's best fishing holes. Get an astounding mountain view at **Paulina Peak** or challenge your rock-climbing skills at **Smith Rock State Park**.

*Continue south on US 97, then west on Hwy 138...*

Hwy 138 West leads to spectacular **Crater Lake** and **Crater Lake National Park**. With its calming deep-sapphire-blue water, it is hard to believe that Crater Lake was formed more than 7,000 years ago by a violent volcanic eruption. The park includes a rim loop drive, the historic **Crater Lake Lodge** and boat tours to **Wizard Island**.

## From Sacramento, CA

*Drive north on I-5 ...*

You will come to **Redding** and the **Whiskeytown Shasta-Trinity National Recreation Area** and **Shasta National Forest**. Here you can visit the **Lake Shasta Caverns** and the dam at **Lake Shasta**. Local museums feature exhibits from Gold Rush days and Native American artifacts. **Mt. Shasta**, at 14,162 feet, is the next scenic stop. The **Mt. Shasta Fish Hatchery** produces five to ten million trout annually, and the nearby museum contains interesting geologic and human artifacts.

Travel north on US 97 to **Klamath Falls**, or continue north on I-5 until you reach Ashland.
