Special Needs Unit Features

- No SN units at this property

Resort Features

- TDD unit available

This property has no SN units or accessible features beyond a TDD unit. It is possible to gain wheelchair access into the third floor of this property using a door at the far end of the building, however, there is a 2" threshold. The WorldMark check-in and 11 WorldMark units are located on the third floor. The units do have 33" entrances, but interior doors have only 27" access and the bathrooms are too small to accommodate any wheelchair.

Hearing & Visual Aids:

- Resort has one TDD unit available.

SN units

No SN units at this property

Because WorldMark at Cascade Lodge is only a few minutes from this location and has designated SN units, WorldMark recommends guests with special needs book their Whistler vacations at Cascade Lodge.
