Special Needs Unit Features

- No special needs units are available at this property

Resort Accessible Features

- Accessible route to check-in area
- Some paved sidewalks
- Portable commode chair
- A portable bath stool is available
- One TDD unit available

Schooner Landing is located on level to steeply sloping land. There is roll-in access to resort check-in and most resort facilities. However, some thresholds are as high as 4" and the doors giving access to dressing rooms and the pool take two hands to operate. The resort has one TDD unit available.

Special Needs Units

No special needs units are available at this property

This property is not recommended for mobility impaired guests because all units have stairs to entries and lacks accessible features. We encourage disabled owners interested in vacationing in this area to instead seek lodging at WorldMark Depoe Bay or WorldMark Gleneden Beach. Both properties are within a 30-minute drive of this location, and have special needs units and accessible features.
