

Dear WorldMark Owner/Guest:

Thank you for choosing The Canadian for your WorldMark vacation. We look forward to welcoming you to WorldMark's original urban resort.

The Canadian consists of 43 units on six floors high above the vibrant cosmopolitan city of Vancouver, British Columbia, Canada. Cradled between the Pacific Ocean and the Coastal Mountains, the energetic city of Vancouver is surrounded by natural beauty.

The units average 700 square feet in size and are equipped with all the amenities that you have come to expect at a WorldMark resort. The one- and two-bedroom units feature queen size beds and have spectacular views of both the city and mountains. Although the units are compact, floor to ceiling windows provide a feeling of space in addition to great views from this ideal urban getaway.

Please remember that due to the smaller scale of these units, we must adhere to the reduced occupancy limits of two people for the one-bedroom units and four people for the two-bedroom units. Also, in accordance with WorldMark policy and for the comfort of other guests, we ask that you refrain from smoking in the units.

The check-in office is located on the ground floor of 1080 Hornby Street in the heart of downtown Vancouver. While checking in, please park in front of the building in the passenger-loading zone, or, if required, make sure to pay the meter. Once you are registered you will be directed to our underground parking garage where parking is available for one vehicle per unit. Please note that the maximum vehicle height clearance for the garage is 2 meters, or 6'6".

Shopping, dining and entertainment are all within a few blocks of the resort, and walking is recommended for getting around and seeing the sights. Public transit and numerous city tours are also available. If this is your first visit to Vancouver or if you are returning and looking for new ideas, please stop by the front desk and our staff will be happy to answer any questions and provide you with additional information.

We are confident that your stay at The Canadian will be most enjoyable, and we look forward to sharing our beautiful city with you.

Sincerely,

Steve Seattle
