Special Needs Units

This resort has no special needs units

All unit entries have standard key locks, knob door handles, 33" entry widths, level thresholds and screen doors. All units have bedroom door widths of 27" and bathroom door widths of only 23". Beds have enough side and foot space to accommodate wheelchairs that can navigate the 27" wide bedroom door. All unit bathrooms are too small to accommodate even the smallest wheelchairs. Portable bath seats are available. Kitchens and living rooms in one- and two-bedroom units are spacious.

This property is not recommended for mobility-impaired guests; interior door widths are as narrow as 23" and bathrooms are too small to accommodate even the smallest wheelchairs.
